

WITS COLLECTION

Wall wine rack PICTA

PICTA is Wits Collection of wall-mounted wine racks, which are ideal for those who have a passion for wine in their hearts.

PICTA allows you to combine passion, aesthetics and design, making your creativity free and giving space and visibility to your most affectionate bottles.

A wall-mounted wine rack that you can use like an art work, through three PICTA of different colors and materials, placed side by side and spaced apart by a few centimeters. So, you get a fascinating triptych that you can contemplate.

Wine bottles holder VIC&VERSA

Bread

CHATEAU
TOUR

VIC&VERSA is a modern design wine rack, a wood or metal tabletop wine bottles holder, which is an elegant fretted unit to display four bottles through the unique sophistication that distinguishes the Made in Italy Design. Essential and linear, the fretted shaped unit becomes a wine bottle rack with a contemporary design.

Wall mount wine rack PETAL

When you see **PETAL** wall-mounted wine racks collection, you are immediately amazed, because you can't understand if PETAL is a design wine rack or a modern and refined piece of furniture, that gives a touch of Made in Italy style to your home.

This elegant exhibitor introduces bottles as real objects of art. In addition to being an original wine bottle holder, PETAL is also a modular system that allows you to set up your wall in style.

Eco-friendly wine rack **GRAPES**

WITS was inspired by a bunch of grapes to create GRAPES collection, a cardboard wine rack, which is made of pressed cardboard tubes. Arranged among themselves, they take a bunch of grapes shape or they give life to an original tabletop composition. Elegant and light, they can be an informal eco-friendly cardboard wine-rack.

Wall mounted wine racks TAILOR

TAILOR is an elegant wine rack shelf, a wall mounted wine rack, a wine display made of fine wood with a surface effect that reminds Jeans in 3 shades: blue, red, black or Oak antique version.

In particular, Jeans effect is obtained thanks to the experience of our expert master craftsmen.

Irregular, hand-worked edge gives added value to the wine shelf, making it an original wine display with the maximum of label visibility.

Wall wine racks ESAGO

ESAGO the modular and versatile hexagonal wall-mounted bottle rack, ideal for storing your best bottles, is also an original solution to decorate a wall and make your room modern and stylish. Not only a bottle holder but also a bookcase or object holder.

Wall mounted wine racks NIDO

The NIDO wall-mounted bottle rack collection consists of two types of containers for 2 or 4 bottles. The system allows you to fix the boxes horizontally or vertically to obtain the composition you like best. An original way to highlight your most cherished bottles.

Countertop wine rack FRUITS

Have you ever thought that a wine display could take the shape of a fruit? WITS has thought about it playing with colors, shapes and materials, making an alternative design object, with bright colors and soft curves. The whole FRUITS collection consists of metal bottle holders, painted with epoxy powders in various colours.

Countertop wine rack FRUITS

Wine bottles holder PETS

The choice of an item which will come into your home is never easy; PETS tabletop wine racks collection helps you, it's a new idea of wine display, which is unique in design and thought to share your best bottles with your family or friends.

Made in Italy design wine bottles racks, ready to value your kitchen and your living room! These wine exhibitors give your environment a touch of personality.

PETS collection is completely made of plexiglass with a back-lacquered side that enhances the reflections of light giving reflection to the tabletop wine racks! The soft curves, the precision of the carvings and the transparent tray are all details that value PETS wine bottles holders making them extraordinary design objects.
